It's always nice when our efforts are rewarded by comments from our customers! The following bears testimony to the care we put forth as a team to make sure all our customers are satisfied with our services. No matter how large or small the event, we strive to be the best catering provider in the region.

"I can't tell you how much I appreciate working with you and your team. Every event we have is flawlessly executed. At our Oktoberfest event a few weeks ago, everyone raved about the food, the beer choices were perfect, the bartender was amazing, and the supplemental décor really added to the atmosphere.

Yesterday you saved the day on a really important sales event. Thank you so much for your agility and your willingness to help in a pinch. It's rare and awesome to work with such a team."

"For our team it is the partnership and service that make all of the difference. Of course the food and presentation is awesome, but when it is accompanied by friendly, helpful staff it enhances the entire experience."

-Holly from Event Experience, a valued client since 2017

"I have worked with The Catering Company for 9 years as an event coordinator for a large corporation. We have complex and specific needs including special diets and 100+ people to feed, and The Catering Company has always helped us find creative and smart solutions. The staff is friendly, attentive, reliable, and always willing to help. The food is delicious, menu is diverse and works well for a corporate setting. I highly recommend The Catering Company!"
